

The Rotary Club of Wilmington presents the following programs for Wilmington residents of all ages, free of charge. Come take part in our indoor/outdoor classroom experiences! You do NOT have to attend all class offerings, come when you can.

POLLINATOR GARDEN PROGRAM

Presented by Nancy Kuhajda: Will County Master Gardener, Master Naturalist & Master Composter-Illinois Extension Office
Held on the third Tuesday of the month from 6-7pm at the Wilmington Island Park District office. Call to register 815-476-2729
March – Winter sowing
April – Native plants and home landscaping
May – Attracting butterflies and pollinators to your garden
More classes to come

WILMINGTON STARGAZERS PROGRAM

Presented by Sean Cunneen: Kankakee Stargazers. The Wilmington Stargazers have 2 telescopes, 2 night binoculars, and outdoor laser pointers. You do not have to have any equipment.
Held on the first Wednesday of the month from 2-3pm at the Wilmington Island Park District office. Call to register 815-476-2729
March – Telescopes 101
April – Basic astronomy (maybe all about the eclipse)
Night viewing will also be included, dates to be announced
This will be an on-going classroom experience

WILMINGTON HISTORICAL 5 LECTURE SERIES

Presented by Sandy Vasko: Director of Will County Museum and Research Center
Held on the third Saturday of the month from 1-2pm at the Wilmington Public Library District office. Call to register 815-476-2834
January – Bringing Civilization to the Illinois Territory
February – Kankakee River and the Canal Boat Era
March – Railroads - Changing Rural Life
April – Wilmington in the Civil War
May – Highways and Byways/Rt 66

Brought to you by a generous grant from Union Pacific Railroad Community Ties Giving Program
